

İLAYDA İNCE

Medical Engineering Student

EXPERIENCES

Ataşehir Acibadem Hospital (July 2023)

INTERN

- In the summer of 2023, I interned at Acibadem Ataşehir Hospital's Biomedical Department. I gained practical experience in medical device testing and maintenance, collaborating with professionals on innovative projects to improve patient care.

Acibadem University Student Affairs (August-September 2023)

INTERN

- During the summer term, I assisted with student registration, international student enrollment, and other administrative tasks. I enhanced student satisfaction by effectively communicating with students and aiding in document organization processes, which helped me develop efficient work and problem-solving skills in student affairs.

Salnus Orthopedic Solutions (June 2024)

INTERN

- Completed a comprehensive internship at Salnus Orthopedic Solutions in June, focusing on preoperative planning and orthopedic solutions. Gained practical experience in medical software development, data analysis, and quality control processes. Collaborated with multidisciplinary teams to enhance the development and deployment of AI-powered surgical planning tools aimed at improving healthcare accessibility and clinical outcomes.

Salnus Orthopedic Solutions July-September 2024)

PROJECT MANAGER

- As a Project Manager at Salnus Orthopedic Solutions, I was responsible for the development and implementation of AI-powered orthopedic software aimed at improving preoperative planning and expanding access to healthcare professionals. My role involved managing cross-functional teams, coordinating tasks, and ensuring that project deliverables met timelines and quality standards. I oversaw data collection, analysis, and the integration of advanced technologies. Additionally, I contributed to strategic planning, budget management, and collaborated with quality consulting firms to ensure regulatory compliance and project success.

EDUCATION

ACIBADEM UNIVERSITY (2023-PRESENT)

Medical Engineering

ISTANBUL UNIVERSITY/UNIVERSITY EXTENSION (2023-PRESENT)

International Trade and Logistics

BEYLIKDÜZÜ AMERICAN CULTURE COLLEGE (2019-2020)

BEYKENT DOGA COLLEGE (2017-2019)

EMLAK KONUT MİMAR SINAN ANATOLIAN HIGH SCHOOL (2016-2017)

CERTIFICATES

2020	Personal Development Summit
2024	"Introduction to Medical Software" - Yale Univeristy Training
2025	"Kişisel Gelişim Programı (28 Günlük Plan)" – Toptalent Business School
2025	Borusan Teknoloji Okulu – Toptalent Business School x Borusan
